Sunday along Granville Parade there will be refreshments, stalls, entertainment, punch and judy, raft races and displays and a myriad of activities to entertain the family. CHRISTMAS LIGHT SWITCH ON: Held on a Saturday evening in November, actual date to be confirmed. When the lights on the lovely Christmas Tree are switched on, the lights on the lampposts are also switched on. Christmas Carols are sung and Father Christmas hands out lots of presents to the very young ones. And then for the grown ups there is hot mulled wine and hot mince pies. And if the weather is right we may even get snow. Organised by Sandgate Parish Council.
